

OUR POLICY ON CARE & PAYMENT

CARE

The goal of our practice is to ensure that our patients receive high quality dental care.

PAYMENT

If you have insurance and it covers your visit and treatment, we will gladly submit a claim on your behalf; however, we do expect you to pay 20% of the fees at the time of your visit, unless prior financial arrangements have been made. If your treatment is not covered by insurance, or you don't have insurance, consultation and procedure fees are due and expected at the time of your visit.
